The editors and organisers of the conference would like to express their thanks to the presenters as well as the participants who attended the seminar, all of whom contributed to an interesting and lively event. We are also grateful to Mafalda Melo Sousa (CRIA-IUL) and Angela Matos (CICS/UM) for their excellent administrative and logistical support, and the student volunteers from the Instituto Superior de Novas Profissões for their invaluable assistance at the event. Many thanks also to our colleague on the Portugal Management Committee of the COST Action IS0907 Piedade Vaz Rebelo for her support.

Transcription of the proceedings and translation into Portuguese was carried out by Georgina De Costa, Vanda Gorjão, Artur Patuleia, Mafalda Melo Sousa and Joanna White. We are extremely grateful to Mário Santos who reviewed and finalised the Portuguese version of the text.
